# Virtual Cooking Class

---

## Corporate Edition

Looking for ways to keep your team involved or entertain corporate clients?

HL Catering is offering virtual cooking classes hosted by one of our talented Chefs. We have created a unique and fun experience to bring together your group in the comfort and safety of their own home. Let us do all the work in setting up a interactive and team building experience while providing your team with new kitchen skills, a meal, and maybe even a beverage.

# 1

### Explore the Classes

Choose the gift card levels and menu option that best fits your budget and team's taste buds.

# 2

### Provide a Date

Let us know several dates you are interested in booking with our Chefs and we will confirm our availability.

# 3

### Send us Emails

Provide us the emails of attendees, and we will send out the gift cards for ingredients, menu, ingredient list, utensil list, and Zoom information one week prior to the class to your attendees.

# 4

### Come Prepared and Enjoy

Attendees use gift cards to purchase ingredients, gather necessary utensils and get ready for a good time!
